

MASTERS OF SCIENCE (M.S.) DEGREE

Postdoctoral Master's Degree Programs

- Artificial Intelligence in Health Care (AIHC) – Postdoctoral Masters (<https://catalog.mayo.edu/graduate-biomedical-sciences/postdoctoral-basic-science-masters-degree-programs/artificial-intelligence-health-care-postdoctoral-masters/>)
- Biochemistry and Molecular Biology (BMB) – Postdoctoral Masters (<https://catalog.mayo.edu/graduate-biomedical-sciences/postdoctoral-basic-science-masters-degree-programs/biochemistry-molecular-biology-postdoctoral-masters/>)
- Clinical and Translational Science (CTS) – Postdoctoral Masters (<https://catalog.mayo.edu/graduate-biomedical-sciences/postdoctoral-basic-science-masters-degree-programs/clinical-translational-science-postdoctoral-masters/>)
- Immunology (IMM) – Postdoctoral Masters (<https://catalog.mayo.edu/graduate-biomedical-sciences/postdoctoral-basic-science-masters-degree-programs/immunology-postdoctoral-masters/>)
- Molecular Pharmacology and Experimental Therapeutics (MPET) – Postdoctoral Masters (<https://catalog.mayo.edu/graduate-biomedical-sciences/postdoctoral-basic-science-masters-degree-programs/molecular-pharmacology-experimental-therapeutics-postdoctoral-masters/>)
- Virology and Gene Therapy (VGT) - Postdoctoral Master's Degree (<https://catalog.mayo.edu/graduate-biomedical-sciences/postdoctoral-basic-science-masters-degree-programs/virology-gene-therapy-postdoctoral-masters-degree/>)

Professional Master's Degree Programs

- Biochemistry and Molecular Biology (BMB) – Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/biochemistry-molecular-biology-employee-professional-masters/>)
- Biomedical Engineering and Physiology (BMEP) – Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/biomedical-engineering-physiology-employee-professional-masters/>)
- Clinical and Translational Science (CTSC) - Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/clinical-and-translational-science-professional-masters/>)
- Immunology (IMM) – Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/immunology-employee-professional-masters/>)
- Molecular Pharmacology and Experimental Therapeutics (MPET) – Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/molecular-pharmacology-experimental-therapeutics-employee-professional-masters/>)
- Neuroscience (NSC) – Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/neuroscience-employee-professional-masters/>)

- Virology and Gene Therapy (VGT) - Professional Master's (<https://catalog.mayo.edu/graduate-biomedical-sciences/employee-professional-masters-degree-programs/virology-gene-therapy-employee-professional-masters/>)

Resident Master's Degree Programs

- Dentistry Specialties (DENT) – Resident Master's Degree (<https://catalog.mayo.edu/graduate-biomedical-sciences/clinical-masters-degree-programs/dentistry-specialties-clinical-masters/>)
- Obstetrics & Gynecology (OBG) - Resident Master's Degree (<https://catalog.mayo.edu/graduate-biomedical-sciences/clinical-masters-degree-programs/obstetrics-gynecology/>)
- Orthopedics (ORS) - Resident Master's Degree (<https://catalog.mayo.edu/graduate-biomedical-sciences/clinical-masters-degree-programs/orthopedics-clinical-masters/>)
